

Material Safety Data Sheet for

Item# 11-059

DuraSleeve

Product Name: DuraSleeve, silicone rubber mixtures

Identification of Ingredients

INGREDIENT CAS NAME	CAS NO	CONTENT (%)
Polydimethylmethylvinylsiloxane	68083-18-1	55-75
Silicon Dioxide	14464-46-1	22-42
Silicone oil, Hydroxyl - terminated	70131-67-8	1-5

HAZARDS IDENTIFICATION

Hazard classification: None (based on IMO)

Fire and explosion: No risks of spontaneous combustion and explosion

Potential health effects:

Skin contact: No significant impact.

Eye contact: may cause mild allergies to eye.

Ingestion: No relevant information found

SAFE DISPOSAL AND STORAGE

Please store in a cool place. Close when not in use. Avoid heat and fire sources and keep out of the child's reach.

REGULATORY INFORMATION

ACT (TSCA) Toxic Material Control state: 1986 (SARA) Ordinance listed in the TSCA,
Title III Section 313, supplier remind:

Chemical Name / (CAS NO.), the contents: None

California Proposition 65; Chemical Name / (CAS NO.), the contents: None
